

Neighborhoods hit hardest by COVID-19 stand to benefit most from basement apartment legalization

COVID-19 cases as of May 28, 2020

- 0-1000
- 1001-2000
- 2001-3000
- 3001-4,373

Homes with a basement or cellar*

* This is based on the eligibility parameters used for the East New York Basements Pilot, as set forth by NYC HPD (one-, two-, and three-family homes with basements or cellars, not in flood zones, and more). View the full set of parameters and interact with our basements map online at prattcenter.net/basementsportal

Data: NYC Dept. of Health & Mental Hygiene, PLUTO 2018 v2
